Reserved for our most distinguished supporters — including major corporations, well-established businesses, and legacy partners — this elite tier encompasses all the benefits of previous levels while offering unparalleled visibility, influence, and bespoke services. Patrons enjoy exclusive access to high-level networking events, private briefings, co-branded opportunities, and prominent recognition across Chamber platforms. This tier is ideal for those committed to shaping bilateral relations and leaving a lasting legacy within the British-Albanian business community.

### Champion Member

Gold Tier  
Annual Fee: £2,000

The Champion tier represents a premium level of membership, designed for senior business supporters and influential contributors. In addition to all the benefits of earlier tiers, Champion members gain access to unique, high-value opportunities such as Champion-only networking events, leadership roundtables, and strategic business forums. This membership level is perfect for companies eager to maximise their impact, elevate their profile, and engage directly with decision-makers and key stakeholders.

### Benefactor Member

Silver Tier  
Annual Fee: £1,250

Benefactor membership builds on the advantages of the Supporting tier, offering expanded services and enhanced visibility.
